

REMINDER!

MAY 3rd TARS PICNIC and Indiana QSO Party

This year's event will be held at the beautiful ranch of Norm and JoAnn on the West Side. The club will provide the meat and drinks. Members are encouraged to bring a covered dish.

Set up will start around 9:00 am for the INQP and eating will be at Noon.

You can find map directions by logging into QRZ and [search for W9AU](#) . We will provide some road signs to help you along the way.

As usual we will also have talk in on the 146.790 repeater.

In addition to the picnic fun, we will also set up and operate for the Indiana QSO party. The club will set up a field station and you are also invited to bring any field day equipment you want to test or operate with.

Hope to see you Saturday !
