

My apologies for the delay this month. Upcoming 10m RagChew Net, Wednesdays at 8:30pm on 28.350 +/-, starting 3/19/25. For those that missed the meeting, attached is the diagram of the 10m j-pole we built.

The next Fox Hunt is March 22, 1:00pm. Check in the net or watch groups.io for more information.

NO VE Testing this month

. Next testing session is

April 26th.

If you have not renewed your TARS membership, this might be your last SPARKS!

The 2025 membership list is in this SPARKS if you aren't sure if you renewed.

Check into the Tri-State Emergency net, Wednesdays at 8:00pm on the 146.790 repeater for the latest news and information.
